Understanding Frontier Airlines Name Change Policy

Frontier Airlines, as a low-cost carrier, has specific rules regarding name changes. The airline prioritizes accurate passenger information for safety and regulatory compliance. Here's what you need to know:

1. Standard Name Change Fee

Frontier charges a **name change fee for correcting or changing passenger details**. For standard tickets, this fee typically ranges from **\$90 to \$100 per passenger**. This amount may vary based on ticket type, destination, and timing of the request. Always confirm the exact fee by calling ☎ +1-877-622-0707 before proceeding.

2. Name Correction vs. Full Change

- **Minor Corrections:** Spelling errors, missing middle names, or typographical mistakes usually incur a **lower fee**.
- **Full Name Change:** Completely replacing the passenger name often comes with a **higher fee** and may sometimes require purchasing a new ticket. Call ☎ +1-877-622-0707 for guidance on your situation.

3. Time Sensitivity

Name changes should ideally be requested **as soon as the error is noticed**. Delaying a correction could complicate travel, especially if it involves international flights with passport verification. For immediate assistance, call ☎ +1-877-622-0707.
