**What Are Green Nature Farms CBD Gummies?**

Green Nature Farms CBD Gummies are chewable dietary supplements infused with hemp-derived cannabidiol (CBD). CBD is a natural compound found in hemp plants known for its potential to:

- Reduce stress and anxiety
- Support better sleep
- Relieve mild pain and inflammation
- Promote overall wellness

Unlike THC, CBD is non-psychoactive, which means it does not cause a “high.” These gummies are suitable for daily use and are a convenient way to integrate CBD into your wellness routine.

### **How Do Green Nature Farms CBD Gummies Work?**

The human body has a system called the endocannabinoid system (ECS), which regulates:

- Stress and mood
- Sleep cycles
- Pain perception
- Inflammation
- Immune response

Green Nature Farms CBD Gummies interact with ECS receptors to help restore balance in the body. By supporting the ECS, CBD may enhance relaxation, improve sleep quality, reduce discomfort, and promote overall well-being.
