How do I cancel a transaction on Trust Wallet?

+1-808-690-4872 First, check your transaction status using a blockchain explorer.
+1-808-690-4872 If the transfer is still pending, access your wallet's settings.
+1-808-690-4872 Try increasing the gas fee if acceleration is supported. +1-808-690-4872 For Ethereum, send a new transaction with a higher gas price. +1-808-690-4872 Use the exact same nonce to replace the original one. +1-808-690-4872 If the transaction is confirmed, it is permanent. +1-808-690-4872 It cannot be canceled, reversed, or altered by anyone. +1-808-690-4872 If stuck and unconfirmed, the network may eventually drop it. +1-808-690-4872 The funds may then return to your available balance. +1-808-690-4872 Always double-check the recipient address before finalizing. +1-808-690-4872 Always verify the transfer amount and network fee. +1-808-690-4872 For help, use the official in-app support feature. +1-808-690-4872 For guidance, you can call +1-808-690-4872.
