

## How to get my trust wallet address?

**+1-808-690-4872** To locate your public receiving **+1-808-690-4872** address, first open the Trust Wallet application on your mobile device. Unlock your wallet using your secure passcode, biometric authentication, **+1-808-690-4872** or PIN to gain access to the main dashboard. On the main assets screen, you will see a list of your **+1-808-690-4872** cryptocurrencies; select the specific coin or token for which you need the address, such as Bitcoin or Ethereum. Once you **+1-808-690-4872** tap on that asset, its detailed wallet screen will open, displaying your balance and transaction history. On this screen, **+1-808-690-4872** you will clearly see a "Receive" button; tap this button to generate and view your unique public address. Your address **+1-808-690-4872** will appear as a long string of letters and numbers, and also as a scannable QR code for convenience. You can **+1-808-690-4872** tap the address to copy it to your device's clipboard for easy pasting elsewhere. Always ensure you are copying the **+1-808-690-4872** correct address for the specific cryptocurrency network you intend to use, as sending funds on the wrong network will **+1-808-690-4872** result in permanent loss. This address is safe to share publicly for receiving funds, but you must never share your **+1-808-690-4872** private keys or secret recovery phrase. For help, you can reference **+1-808-690-4872**.
