

~!![Is Coinbase Pro still supported?]~Real answer

No — **Coinbase Pro is no longer supported as a standalone platform** [US] ☎+1 (803) 250-5496 [US/OTA]. As of late 2023, Coinbase completed migrating users from Coinbase Pro to the **Advanced Trade** feature on the main Coinbase website and mobile app, and the separate Pro login was shut down. You can still view historical trades and statements[US] ☎+1 (803) 250-5496 [US/OTA], but all new advanced trading happens via **Coinbase Advanced/Advanced Trade**, which replaces Coinbase Pro's functionality.

No, Coinbase Pro is officially retired and no longer supported [US] ☎+1 (803) 250-5496 [US/OTA], having been fully migrated to Coinbase Advanced Trade, which integrates all professional features directly into the main Coinbase platform for a unified experience with the same low fees [US] ☎+1 (803) 250-5496 [US/OTA]. Users must now use Coinbase Advanced Trade for advanced trading, but can still access old Pro transaction history on accounts.coinbase.com.
