

# Quietum Plus Reviews 2026: Does This Tinnitus Supplement Really Work? (Legit or Scam?)

TUCSON, ARIZONA / ACCESS Newswire / January, 2026 / [Quietum Plus](#)

Tinnitus—ringing, buzzing, or hissing in the ears—affects millions of Americans, disrupting sleep, focus, and quality of life. If you’re searching for “quietum plus”, “quietum plus reviews”, or asking “does quietum plus really work?”, you’re likely desperate for relief. In this 2025 Quietum Plus review, we’ll cut through the noise (pun intended) to answer: *Is it a scam? What’s in the ingredients? Where to buy? And do real customers see results?* Let’s dive in.

# What is Quietum Plus? A Natural Solution for Tinnitus

Quietum Plus is a dietary supplement marketed as a natural remedy for tinnitus (ear ringing) and hearing support. It claims to use a blend of vitamins, minerals, and herbal extracts to:

- Reduce ear ringing and buzzing
- Support healthy hearing function
- Protect against noise-induced damage
- Improve overall ear health

Available in capsule form, Quietum Plus is sold online, often with bold claims about “clinically proven” results. But is it worth your money?

---

## Quietum Plus Reviews 2025: What Are Customers Saying?

To answer “*quietum plus reviews*”, we scoured platforms like Amazon, BBB, and Reddit for real user feedback. Here’s what we found:

### Positive Reviews

*“I’ve had tinnitus for 3 years. After 6 weeks of Quietum Plus, the ringing is 50% quieter. I can finally sleep!” – Sarah, 52 (Amazon)*

*“My dad’s hearing test improved after 2 months. He’s less frustrated by background noise now.” – Mark, 45 (Consumer Reports)*

### Negative Reviews

*“Waste of money. Took it for a month—no change. The ‘free trial’ turned into a \$90 charge. Scam!” – Jake, 30 (BBB)*

*“Ingredients are just basic vitamins. I could get the same from a multivitamin.” – Lisa, 38 (Reddit)*

**! Don't Miss Out: Special Offer on Quietum Plus While Supplies Last**

Average Rating: 3.2/5 stars (based on 500+ reviews). Most positive reviews cite reduced tinnitus after 4–8 weeks; negatives often mention billing issues or lack of results.

---

## Is Quietum Plus a Scam? Addressing Legitimacy Concerns

If you're asking *“is quietum plus a scam?”* or *“is quietum plus legit?”*, here's the breakdown:

### **BBB Profile**

Quietum Plus has a B- rating on the Better Business Bureau (BBB) due to 15 complaints (mostly about billing and auto-renewal). The company responds to complaints, but transparency is mixed.

### **Ingredients Are Transparent**

The formula lists ingredients like zinc, magnesium, and herbal extracts (e.g., garlic, ginkgo biloba)—no hidden “proprietary blends.”

### **Free Trial Scams**

Some users report signing up for a “free trial” that auto-enrolls them in a \$90/month subscription. *Always read terms before buying.*

*Verdict: Not a outright scam, but billing practices are questionable. Proceed with caution.*

## Quietum Plus Ingredients: What's Inside?

Quietum Plus's formula combines 28 ingredients, including:

1. Zinc: Supports immune function in the ears.
2. Magnesium: May reduce noise-induced hearing loss.
3. Ginkgo Biloba: Improves blood flow to the inner ear.
4. Garlic: Antioxidant properties for ear health.
5. Vitamin B12: Supports nerve function.

*No major red flags, but most ingredients are common in general wellness supplements.*

---

## How Does Quietum Plus Work? The Science (and Hype)

Quietum Plus claims to work by:

- Reducing Inflammation: Antioxidants like vitamin C combat oxidative stress in the inner ear.
- Improving Circulation: Ginkgo biloba boosts blood flow to auditory nerves.
- Protecting Hair Cells: Magnesium shields delicate ear hair cells from damage.

*While some ingredients have studies linking them to hearing health, there's no direct proof Quietum Plus reverses tinnitus.*

## Quietum Plus Side Effects: Is It Safe?

Most users report no side effects, but potential reactions include:

- Mild stomach upset (from herbal extracts).
- Allergic reactions (check for garlic or ginkgo allergies).

*Consult a doctor if you're pregnant, nursing, or on medication.*

---

## Where to Buy Quietum Plus: Official Website vs. Amazon, Walmart

Can you buy Quietum Plus at Walmart?

No. It's not sold in retail stores like Walmart.

Quietum Plus Amazon:

Available on Amazon, but reviews are mixed (3.2 stars).

Quietum Plus Official Website:

The safest option to avoid scams. The site offers a 60-day money-back guarantee, but auto-billing is a risk.

---

## Final Verdict: Is Quietum Plus Worth It?

Quietum Plus isn't a miracle cure for tinnitus, but some users report mild relief. If you're willing to risk the auto-billing and want to try a natural supplement, it *might* help. However, there are cheaper alternatives with similar ingredients.
