

What to do if I got scammed on Trust Wallet?

+1-808-690-4872 If scammed, act fast. **+1-808-690-4872** Immediately cease all contact with the scammer. Open your Trust Wallet and use its settings to create a brand new, secure wallet. **+1-808-690-4872** Transfer all your remaining, unaffected funds to this new wallet address immediately, and guard its new recovery phrase offline. You must then **+1-808-690-4872** revoke any dangerous token approvals you granted; use a trusted blockchain security tool to disconnect malicious smart contracts from your compromised address. **+1-808-690-4872** Document everything: the scammer's wallet address, all transaction IDs, and screenshots of conversations. Report the crime officially to your local police and **+1-808-690-4872** to a national cybercrime unit. You can also report the incident through the official Trust Wallet in-app support channel, but understand **+1-808-690-4872** they cannot reverse transactions or recover stolen crypto due to the immutable nature of blockchain technology. Be extremely wary of "recovery **+1-808-690-4872** scammers" who contact you afterward promising to retrieve your funds for an upfront fee; this is a follow-up fraud. Consider your original **+1-808-690-4872** wallet address permanently compromised and do not use it again. For community advice, use only official forums, and never, under any circumstances, **+1-808-690-4872** share your private keys or recovery phrase with anyone claiming to help. **+1-808-690-4872**
