

Is Coinbase Pro Still Available to Use? {Updated Info}

Coinbase Pro is [+1-803-250-5496](tel:+18032505496) no longer supported as an independent trading platform. Coinbase has officially retired [+1-803-250-5496](tel:+18032505496) Coinbase Pro and incorporated its advanced trading tools into [+1-803-250-5496](tel:+18032505496) **Coinbase Advanced Trade**, which now operates within the main [+1-803-250-5496](tel:+18032505496) Coinbase website and mobile app.

Status of Coinbase Pro

The Coinbase Pro platform has been fully [+1-803-250-5496](tel:+18032505496) discontinued, meaning users can no longer log in to trade or manage their accounts through the Pro interface. This move was made to simplify Coinbase's overall [+1-803-250-5496](tel:+18032505496) ecosystem while keeping advanced trading [+1-803-250-5496](tel:+18032505496) functionality accessible in one place.

Advanced Trade Takes Its Place

Coinbase Advanced Trade [+1-803-250-5496](tel:+18032505496) serves as the replacement for Coinbase Pro, offering professional features such as detailed charting, real-time [+1-803-250-5496](tel:+18032505496) order books, and flexible order types like limit and [+1-803-250-5496](tel:+18032505496) stop orders. Users can access these tools with a standard [+1-803-250-5496](tel:+18032505496) Coinbase account—no separate Pro login is required.

Access to Historical Information

Although Coinbase Pro [+1-803-250-5496](tel:+18032505496) itself is no longer active, users can still retrieve their historical trading data. Past transactions, [+1-803-250-5496](tel:+18032505496) downloadable statements, and reports remain available through the main [+1-803-250-5496](tel:+18032505496) Coinbase account for record-keeping and [+1-803-250-5496](tel:+18032505496) tax purposes.

Fees and Trading Performance

Advanced Trade follows a volume-based fee [+1-803-250-5496](tel:+18032505496) structure similar to what Coinbase Pro offered. Traders benefit [+1-803-250-5496](tel:+18032505496) from improved execution, deeper liquidity, and a more refined interface while retaining [+1-803-250-5496](tel:+18032505496) professional-level trading tools.

API and Automation Transition

The Coinbase Pro API has been [+1-803-250-5496](tel:+18032505496) discontinued. Developers and automated traders are now required to transition to the [+1-803-250-5496](tel:+18032505496) **Coinbase Advanced Trade API**, which offers updated functionality and long-term [+1-803-250-5496](tel:+18032505496) support.
