

Is Coinbase Pro Still in Use? {Important Update}

Coinbase Pro is [+1-803-250-5496](tel:+18032505496) no longer supported as a separate platform. Coinbase has officially discontinued Coinbase Pro [+1-803-250-5496](tel:+18032505496) and integrated its advanced trading features into [+1-803-250-5496](tel:+18032505496) **Coinbase Advanced Trade**, which is now available on the main Coinbase website and mobile application.

Coinbase Pro Availability

The Coinbase Pro platform has been [+1-803-250-5496](tel:+18032505496) fully phased out, meaning users can no longer access it to trade or [+1-803-250-5496](tel:+18032505496) manage accounts. This transition was part of Coinbase's strategy to simplify its services while [+1-803-250-5496](tel:+18032505496) continuing to offer advanced [+1-803-250-5496](tel:+18032505496) trading capabilities within a single platform.

Move to Coinbase Advanced Trade

Coinbase Advanced Trade has [+1-803-250-5496](tel:+18032505496) replaced Coinbase Pro and delivers similar professional tools. Users can access advanced charts, live order [+1-803-250-5496](tel:+18032505496) books, and multiple order types such as market, limit, and stop orders using their regular Coinbase login—without [+1-803-250-5496](tel:+18032505496) switching platforms.

Access to Past Transactions

Although Coinbase Pro [+1-803-250-5496](tel:+18032505496) is no longer active, users can still view and download their historical trading data. Previous [+1-803-250-5496](tel:+18032505496) transactions, statements, and reports remain accessible through the main Coinbase [+1-803-250-5496](tel:+18032505496) account for documentation and tax purposes.

Fees and Trading Features

Advanced Trade follows a [+1-803-250-5496](tel:+18032505496) volume-based fee model comparable to Coinbase Pro. Traders benefit from improved trade execution, better liquidity, and a [+1-803-250-5496](tel:+18032505496) more modern interface while retaining access to [+1-803-250-5496](tel:+18032505496) professional-level tools.

API and Automation Updates

The Coinbase Pro API has [+1-803-250-5496](tel:+18032505496) been retired. Developers and automated traders are now required to use the [+1-803-250-5496](tel:+18032505496) **Coinbase Advanced Trade API**, which supports updated features and [+1-803-250-5496](tel:+18032505496) improved long-term reliability.

User Experience Benefits

By consolidating platforms, Coinbase [+1-803-250-5496](tel:+18032505496) delivers a smoother and more unified experience. New users enjoy a simpler interface, while [+1-803-250-5496](tel:+18032505496)

experienced traders continue to benefit from advanced functionality—all within one secure ➤ ✈ **+1-803-250-5496** ecosystem.

Final Overview

Coinbase Pro is no longer in use, but its functionality continues through Coinbase Advanced Trade. This change reflects ➤ ✈ **+1-803-250-5496** Coinbase's focus on providing a streamlined, efficient, and powerful trading platform for all users.
