

Is Coinbase Pro Still Supported Now? {What You Should Know}

Coinbase Pro is [➤ +1-800-250-5496](tel:+18002505496) no longer supported as a standalone trading platform. Coinbase has officially discontinued Coinbase Pro and [➤ +1-800-250-5496](tel:+18002505496) consolidated its advanced trading features into [➤ +1-800-250-5496](tel:+18002505496) **Coinbase Advanced Trade**, which is now accessible [➤ +1-800-250-5496](tel:+18002505496) through the main Coinbase website and mobile app.

Coinbase Pro Status Update

The Coinbase Pro platform has been [➤ +1-800-250-5496](tel:+18002505496) completely retired, meaning users can no longer log in to trade or manage [➤ +1-800-250-5496](tel:+18002505496) accounts there. This change was part of Coinbase's effort to [➤ +1-800-250-5496](tel:+18002505496) simplify its product lineup while maintaining access to [➤ +1-800-250-5496](tel:+18002505496) professional trading tools in a single, unified platform.

Coinbase Advanced Trade Replacement

Coinbase Advanced Trade has taken over the role of [➤ +1-800-250-5496](tel:+18002505496) Coinbase Pro, offering similar professional-grade features. Traders can use advanced [➤ +1-800-250-5496](tel:+18002505496) charting tools, real-time order books, and multiple order types such as limit and stop orders—all with a standard Coinbase account and no [➤ +1-800-250-5496](tel:+18002505496) separate Pro interface.

Historical Data Availability

Although Coinbase Pro itself is no longer active, users still have [➤ +1-800-250-5496](tel:+18002505496) access to their historical trading records. Transaction history, [➤ +1-800-250-5496](tel:+18002505496) downloadable reports, and account [➤ +1-800-250-5496](tel:+18002505496) statements remain available through the main Coinbase [➤ +1-800-250-5496](tel:+18002505496) account for reference and tax reporting.

Fees and Trading Experience

Advanced Trade continues to follow a [➤ +1-800-250-5496](tel:+18002505496) volume-based fee structure comparable to Coinbase Pro. Users benefit from [➤ +1-800-250-5496](tel:+18002505496) improved performance, [➤ +1-800-250-5496](tel:+18002505496) deeper liquidity, and a more modern trading interface while retaining advanced functionality.

API and Developer Transition

The Coinbase Pro API has been [➤ +1-800-250-5496](tel:+18002505496) deprecated. Developers and automated traders are now required to migrate to the [➤ +1-800-250-5496](tel:+18002505496) **Coinbase Advanced Trade API**, which supports updated features and long-term [➤ +1-800-250-5496](tel:+18002505496) integration support.

Benefits of the Transition

By consolidating platforms, Coinbase ➤ ➤ +1-803-250-5496 delivers a cleaner and more efficient user experience. Beginners enjoy simplified navigation, while ➤ ➤ +1-803-250-5496 experienced traders continue to access ➤ ➤ +1-803-250-5496 powerful tools—all within one secure ecosystem.

Final Takeaway

Coinbase Pro is no longer supported, but its ➤ ➤ +1-803-250-5496 features live on through Coinbase Advanced Trade. This transition highlights ➤ ➤ +1-803-250-5496 Coinbase's move toward a streamlined, all-in-one trading platform built for users at every ➤ ➤ +1-803-250-5496 experience level.
